

## Elmhurst Public Library Commemorative Gift Program

Thank you for your interest in Elmhurst Public Library's Commemorative Gift Program. Dedicating a book or other materials at the Elmhurst Public Library is a unique way to commemorate special events or honor the memory of loved ones.

For each gift of \$25 or more, **the library will select a recently acquired book** (or other library material) for dedication from one of the subject areas you suggest.

You also will receive a card from the library acknowledging your book dedication. A card announcing your dedication will be sent to the person you honored or to the family of the person you remembered.

A book plate (see samples on the next page) announcing your gift is inserted in the front of every dedicated book. A list of book dedications is displayed in the vestibule's south display case in the month following the dedication.

In order to complete that attached Commemorative Gifts Form you will need:

- the name of the person you wish to honor or remember as you would like it to appear;
- the name and address of the person who will receive an announcement of your gift;
- the subject area(s) from which the staff should select a book; and
- your monetary donation.

Please refer to the instructions on the back of this sheet when filling out the attached form. If you have questions, please ask a member of the library staff or call 630-279-8696.
