

Accessibility Concern Form

The Elmhurst Public Library complies with the Americans with Disabilities Act of 1990, as amended (the “ADA”) and offers alternative reasonable compliance to meet its requirements. Accordingly, the Library takes appropriate steps to ensure that Library communications with applicants, employees and members of the public with ADA disabilities are as effective as communications with others; makes reasonable accommodations in Library policies, practices and procedures when necessary to avoid discrimination on the basis of disability, unless a fundamental alteration in a Library program would result; and operates its services, programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by individuals with disabilities. The Library provides equal access to persons with disabilities, including those individuals who use service animals.

If a disability prevents you from fully using our facility or enjoying our services or programs, please fill out the form below. If you have issues with the form, or to file an oral grievance, call 630-279-8696.
