APPROVAL TO PURCHASE BANNERS & HARDWARE FOR LIGHT POLES

We would like to purchase hardware and banners to advertise the Makery on the light poles in the parking lot and along the west drive. The initial order for banners includes hardware that we can use with other banner sets. Our goal is to have banners advertising programs that we host every year (i.e. summer reading, one book). The banners will be switched out to advertise our major programs. After this initial order, we will only have to purchase banner sets.

THEREFORE BE IT RESOLVED that administrative staff is authorized to purchase banners and hardware to advertise the Makery on the parking lot light poles at a cost not to exceed \$3,450.00.
