

FOOD FOR FINES

In conjunction with National Library Week, April 10-15, EPL would like to hold its fifth Annual Food For Fines Drive. The food collected will benefit the United Community Concerns Association of Elmhurst. For each nonperishable food donation, the Library will waive one fine, up to a maximum of five fines. Only overdue fines will be waived; not lost item fees or collection agency fees.

THEREFORE BE IT RESOLVED that the Board of Trustees of the Elmhurst Public Library approves the Annual Food For Fines Drive for the week of April 10-15, 2017.
