### Introducing the New Catalog System

This summer, Elmhurst Public Library transitions to an upgraded catalog system in order to provide our patrons with even better service and greater access to materials.

#### Why is EPL adopting this new catalog system?

Elmhurst Public Library has been a part of the SWAN consortium for many years. This means that our catalog system, which you currently use to search for items online is shared with 80 other local libraries. Because the consortium is so large, it's hard to make any changes or upgrades to the catalog. Also, the catalog is slow and it can be difficult to search because of the vast number of items included. **By becoming a stand-alone library, we can realize upgrades sooner, make patron-friendly changes quickly and easily, and keep more of our collection here in Elmhurst for Elmhurst residents.**

#### But what will happen to my ability to get items from other libraries?

You will still have access to items from other libraries. **Although we are leaving the consortium, we are joining a group of libraries that have formed a partnership for sharing resources.**

Unlike our current consortium, we will have total control to change and upgrade our catalog, while you will have access to collections that are larger and more varied than our current consortium. These partner libraries have huge collections which EPL card holders will be able to access. For example, Elmhurst does not have a large foreign language collection; however, Skokie Public Library—one of the partner libraries—carries resources in many different languages because their community is so diverse, which you could access through this new partnership.

#### When will the change take place?

EPL staff is already working on the transition. Patrons will notice a change in the system at the beginning of August. We are scheduled to go live with the new system at the beginning of September. **During this transition period, you will still be able to checkout and request materials; however, staff will have to manually enter requests.** We will make this transition period as painless as

possible by providing a variety of ways for you to contact us to place a hold. You can call us, IM us, send us an email, or place your hold in person.

#### Is there anything else I should know?

**During the month of August, you must have your Library card with you to check out materials.** Also, if you want to keep your reading history or wish lists, you must download them before August 1, and then set up these features with your new account in the upgraded system. Prior to August 1, you can download your reading history or wish lists to an email address or you can print them out. If you need help doing this, ask a staff member or check [www.elmhurstpubliclibrary.org](http://www.elmhurstpubliclibrary.org) for detailed information about how to download your lists.

### EPL at the Farmers' Market

#### Elmhurst Farmers' Market

First Wednesday of each month

July 3 • Aug. 7 • Sept. 4 • Oct. 2

7 a.m.-1 p.m. • Rain or shine!

1/2 block east of York St. on Vallette

The farmers' market offers fresh fruit, vegetables, bread, pastries, cheese, flowers, honey, and more from local farmers, organizations, and vendors. Let

EPL help you figure out what to do with all that fantastic and yummy loot at our booth. We'll have seasonal selections, including tons of cookbooks and kid-friendly favorites. **Bring your Elmhurst Public Library card with you to check out books.** Elmhurst Farmer's Market runs June-October, rain or shine. It is only canceled for extreme weather.
