AV Equipment Updates in Meeting Rooms

New Features Include Giant Touch Screens and Improved Connectivity for Mobile Devices

To address the technological needs of the Elmhurst community, audio-visual equipment in the Meeting Rooms at EPL is being updated. The project will be completed by the end of November.

The new equipment provides community groups and patrons with a better experience when using the meeting rooms. Also, the advanced capabilities of high-resolution video conferencing allow residents and local businesses the ability to communicate with others effortlessly. This new technology has endless possibilities for connecting, creating, teaching, and viewing.

The large-format interactive whiteboards (called Mondopads) allow users to customize their meeting room experience.

UPGRADES:

Mondopads

- large, interactive, touch-screen boards
- high-definition display
- webcam for video teleconferencing

High-fidelity sound equipment

- high-definition microphones
- high-definition speakers
- portable music player docks

High-resolution video equipment

Make a Difference: Join the Friends!

2013 Annual Meeting features GRAMMY-winning York High Group

Now is a great time to join the Friends of the Elmhurst Public Library! The Friends provides additional funding for Library projects that go beyond EPL's regular budget. The Friends recently donated money to establishing *MyZone*, EPL's area for Middle School students.

On November 14, the Friends host their annual meeting featuring a quartet performance from a group of recent GRAMMY®-winning York High School students.

Earlier this year, York school officials received a GRAMMY Foundation® Signature Schools Gold Award. Just as the Recording Academy's GRAMMY® awards recognize excellence in recording arts and sciences, the foundation awards honor top high school music education programs. The award recognizes York's music program as one of the top three in the country.

To attend the Annual Meeting, sign up to be a Friends member today! Find the Friends membership form on page 8, or sign up online at elmlib.org/friends.
