Three Things to Love About Elmhurst Public Library's Freegal Music

ELMHURST, IL — Expand your music library with access to more than 400,000 songs from over 50 Sony-affiliated labels. Here's what we love most about EPL's newest resource, Freegal Music.

- 1. It's FREE and LEGAL (get the name now?).** Elmhurst Public Library subscribes to Freegal, a music service that works with libraries to offer free and legal songs for patrons to download and keep.
- 2. You can download three songs per week, and you get to keep them forever.** Everything you download can be added to your computer, phone, or any MP3 player.
- 3. All you need is an Elmhurst Public Library card.** There's no software to download, and the website guides you through the download process, as well as how to add your selections to your music library (such as iTunes) on your computer, phone, or any MP3 player. After logging in through www.elmhurstpubliclibrary.org, check out the FAQ page about how to add your downloads to different devices.
