

LIBRARY PROGRAMMING

Vision

Library programming supports the vision that the Elmhurst Public Library is a trusted place at the heart of the community and champions Library use by providing the support, resources, and space for all to: pursue a love of reading, access information, explore interests, cultivate curiosity, connect with others, and create and innovate.

Criteria

Library staff develop programs for community members of all ages, for the enrichment of residents' lives. Factors considered are: relevance to community needs and diversity of interests, popular appeal, suitability for the intended audience, budget constraints, the availability of staff and meeting spaces. Staff welcomes program suggestions and proposals, yet retains the right to determine which programs and events are scheduled. Presentation of a program topic does not constitute an endorsement by the Library of the group's or individual's policies or beliefs.

Though fees are generally not charged for Library programs, it may be necessary to charge fees for items such as materials, food, or transportation.

Program registration

The primary audience for Library-sponsored programs and events is Elmhurst Public Library (EPL) cardholders. Some programs require prior registrations or tickets. A valid EPL card in good standing may be required for registration. Programs for kids are often limited to Elmhurst cardholders due to space constraints and popularity.

The Library offers programs for persons of all ages. Staff may establish additional restrictions for specific programs based on age, grade or other relevant factors. This information is included in publicity about these programs.

Presenters

In planning programs, the Library will attempt to hire presenters who are experienced in presenting programs and have credibility in their area of presentation. Presenters who have a vested interest in selling their products or services may not be considered. The speaker may leave business cards for participants to pick up after the program should anyone be interested. Only under specific instances deemed appropriate by Library staff may merchandise be sold. An example of this would be an author visit with a book signing.

Co-sponsored programs

The Library may co-sponsor programs with other organizations or groups. These programs will be considered Library-sponsored programs. Library sponsorship of a program does not constitute an endorsement of the content or topic of the program or of the views expressed by speakers, presenters, participants or audience members.

Americans with Disabilities Act

Programming practices adhere to the Americans with Disabilities Act (ADA) and the American Library Association's Bill of Rights. ADA accommodations by request for programs are available.
