

HOMEBOUND SERVICES

Homebound Services provides Library materials and selected programming to Elmhurst residents unable to come to the Library due to temporary or permanent illness or disability.

I. Delivery and Pickup Service

Delivery and pickup of Library materials are completed by Library staff or volunteers to Elmhurst residents. Unsafe driving conditions or planned Library closures may impact the schedule.

II. Service to Adults in Healthcare Facilities

The Library can provide programming, subject to staff availability, and deposit collections to local nursing homes, senior residential facilities, and adult day care centers.

Programming must be requested by the activity director or person in charge of coordinating outside presenters. Library staff will determine the minimum level of attendance required to administer the program.

Staff from the organization must be present during the visit.

A deposit collection can be provided if the organization agrees to assume responsibility for the materials.
