Dear Mary Beth,

On February 10, 2016 we had a pre-bid walk thru attended by representatives from four individual companies thus four companies were eligible to bid on the project. On March 3, 2016 we had a bid opening, both you and I were in attendance and we were presented with the following bid amounts; Service Plus, Inc. for \$59,500, Genesis Electric for \$65,565 and Anchor Electric for \$68,200. Based on their low bid, past performance and previous experience it is my recommendation that you award Service Plus, Inc. with the contract pending receipt of their insurance certificate and bonds. I will draft a contract for your use.

Sincerely,

Pathmann Construction Management, Inc.
