

REVIEW OF SALARY SCHEDULE 2017

The Board reviews the salary schedule annually and adjustments are made to maintain competitive salaries. The salary schedule has not been adjusted since 2014. This year the cost of living increase at the Social Security Administration for urban wage earners and clerical workers is 3.0%. Rita also consulted with the Management Association of Illinois and their recommendation is 1.95%. Rita compared our salary scale with other libraries and we suggest a 2.0% increase to the salary schedule.

THEREFORE BE IT RESOLVED that the 2017 Salary Schedule will be adjusted by 2.0% to stay current with market movements. The new salary schedule will be effective on January 1, 2017.
