

RECIPROCAL BORROWING AGREEMENT

Each year, the Board of Trustees must inform the Illinois State Library whether or not the Elmhurst Public Library will participate in the statewide reciprocal borrowing program. This program allows public library cardholders across the state to use their local library cards at all participating libraries. Any library not participating in this program is not eligible to apply for any grants administered by the Illinois State Library, and its cardholders cannot check out materials from other libraries.

The Library has participated in this program since its inception. EPL receives a Per Capita Grant through the Illinois State Library, and Elmhurst residents use their library cards at neighboring libraries throughout the year.

THEREFORE BE IT RESOLVED that the Elmhurst Public Library Board of Trustees will participate in the statewide reciprocal borrowing program as promulgated by the Illinois State Library for FY 2023.
