DIY Crop Day at Elmhurst Public Library

ELMHURST, IL — Are you ready to CROP? A “crop” is time set aside for a scrapbooker or papercraft enthusiast to work on individual projects. Gather your photos, papers, embellishment, and adhesives and come to the Library to crop! If you don’t have something in your stash, don’t worry: you can work with others and use the Library’s tools during the crop.

Treat yourself to an entire day to work on your creative project while being in the company of others who share your passion. Get ideas, share supplies, and learn something new! The Library provides you with a large table of your own and uninterrupted time to spread out your materials and create something unique!

The Library’s in-house equipment is available throughout the day: an Ellison Machine with a variety of die-cutting tools; Silhouette CAMEO; CuttleBug; stamps, stamp pads, and more. Bring your own paper and supply kit.

DIY Crop Day is Saturday, January 23 from 10 a.m. to 4 p.m. at Elmhurst Public Library. Space is limited. Register online, in person, or by phone. For more information, visit www.elmlib.org/crop.

Elmhurst Public Library enriches life in Elmhurst by providing opportunities to connect, create, and explore. EPL provides the support, resources, and environment for Elmhurst patrons to: pursue a love of reading; access information; explore interests; engage with technology; connect with others; and create and innovate. Elmhurst Public Library is the place for discovery at the

heart of the community.
