

Facebook for Beginners

Basic Security Settings

Which one is right for me?

Who can see my stuff? (Future posts)

Public- Anybody! (this may also include web searches)

Friends- Only friends can view your profile and pictures

Advanced- it's possible to limit these even further to a specific community or group

Why use Facebook?

Plan your class reunion

Connect with old friends

Share pictures

Promote your business

See events in your area

Friend people without email or phone numbers

Who can contact me?

Basic Filtering- Mostly friends and people you may know

Strict Filtering- Mostly just friends

-Books on Facebook are located at 006.754/**Facebook**
