

# Family Scavenger Hunt

## Week Four

Explore together this fall! Look for these items and mark off each box as you find them. Once every box is checked, you've completed the Scavenger Hunt! Keep this sheet, and use the back to draw a picture of your favorite thing that you found on this list. Next Scavenger Hunt starts Nov. 30.

Something soft

Something that makes noise

Something spiky

Something that smells nice

Something stinky

Something that is circle shaped

Something with animal print

Something rainbow-colored

Something that is heavier than a book

Something that is taller than you

Something to crawl under

Something sparkly

Something salty

Something with music

Something that you can see through

Something with wheels
