### **COMMUNITY FOOD DRIVE AT ELMHURST PUBLIC LIBRARY**

ELMHURST—During the month of June, show that you treasure your community by bringing non-perishable food to Elmhurst Public Library. This food drive benefits the Elmhurst-Yorkfield Food Pantry.

Items that are most needed: Canned mushrooms, canned beets, tomato paste, diced tomatoes, canned chiles, Frosted Flakes, Honey Nut Cheerios, Ritz-type crackers, deodorant, toothpaste, and toothbrushes.

Monetary donations are also accepted for United Community Concerns Association at <https://donorbox.org/united-community-concerns-fundraising>. UCCA provides food, referrals, and services to Elmhurst District 205's most financially disadvantaged children and their families.

A collection box will be available in the lobby of Elmhurst Public Library June 1-30. More information: [elmlib.org](http://elmlib.org) or (630) 279-8696.
