What type of Kindle do I have?

If your device has a color screen, speakers, and can download apps, you have a **Kindle Fire Tablet**, which can access a variety of EPL's digital services. Please use our Mobile Devices handout.

If your device has a black and white screen and cannot download apps, you have a **Kindle eReader**, which can only access eBooks via EPL's Libby by OverDrive collection through the Digital Library of Illinois: dlil.overdrive.com.
