NOOK SIMPLE TOUCH & OTHER EREADERS
How to download eBooks

MyMediaMall eBOOKS

Getting Started

1. Download Adobe Digital Editions on your home computer - adobe.com/products/digitaleditions.
2. Once the software is downloaded, create an Adobe ID. You may also need to authorize your eReader with this ID.

Checking Out eBooks

1. Go to elmlib.org/ebooks and select **MyMediaMall**.
2. In the upper right corner, click on **Sign In**.
3. Find a title.
4. If it is unavailable, click on **Place a Hold** to be notified via email when your eBook is ready for checkout.
5. If the title is available, click **Borrow**. Once borrowed, users are prompted at the top of the screen to go to the **Loans** page to select format.
6. Click **Download** on your account Bookshelf page.
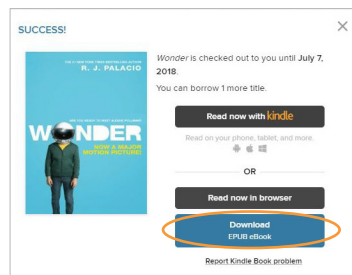

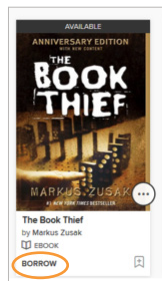

Transfer to an eReader

1. When a title is downloaded, go to Adobe Digital Editions to open the title. The software may open automatically.
2. Turn on your device and connect it to the computer. The device name will pop up in the left column of Adobe Digital Editions.
3. Click and drag your eBook to your device icon.

---

cloudLibrary eBOOKS
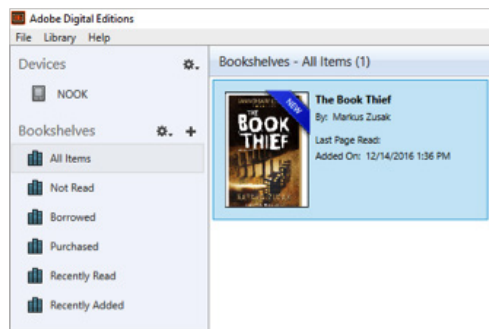

Getting Started

1. Download the cloudLibrary PC or Mac app to your home computer: elmlib.org/cloud
2. Open the software to set it up for your initial use.
2. Follow the prompts to select **Elmhurst Public Library** and then add your **Library card number** and **PIN**.
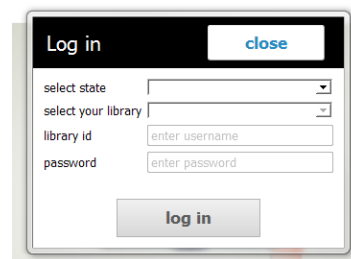

Checking Out eBooks

1. Find a title and click on the book's cover. This will pop up the book information page.
2. If it is unavailable, click on the **Place Hold** button. The cloudLibrary will NOT email you when your Hold is ready for check out. Please open your cloudLibrary app regularly if you are waiting for a book. The titles will be reserved for you for five days.
3. If it is available, click the green **Borrow** button.
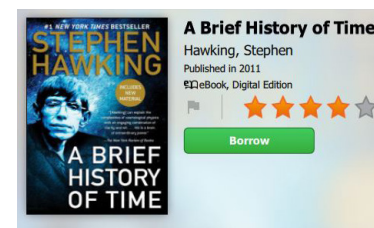

Transfer to an eReader

1. Turn on your device and connect it to the computer.
2. Click on the **My Books** tab in the cloudLibrary.
3. Click the green **download to device** button to transfer the title to the eReader.
