How to download eBooks

Getting Started with eBooks

1. Download Adobe Digital Editions on your home computer - adobe.com/products/digitaleditions.
2. Once the software is downloaded, create an Adobe ID. You may also need to authorize your eReader with this ID.

Checking Out eBooks

1. Go to elmlib.org/digital
2. Click on the **Libby** icon under eAudiobooks
3. In the upper right corner, click on **Sign In**.
4. Find a title.
5. If it is unavailable, click on **Place a Hold** to be notified via email when your eBook is ready for checkout.
6. If the title is available, click **Borrow**. Once borrowed, users are prompted at the top of the screen to go to the **Loans** page to select format.
7. Click **Download** on your account Bookshelf page.

Transfer to an eReader

1. When a title is downloaded, go to Adobe Digital Editions to open the title. The software may open automatically.
2. Turn on your device and connect it to the computer. The device name will pop up in the left column of Adobe Digital Editions.
3. Click and drag your eBook to your device icon.
