### **Be a Super Hero at Elmhurst Public Library**

*ELMHURST, IL* — This summer be a super hero and bring the whole family to Elmhurst Public Library for all of the wonders of summer reading!

This year we celebrate “Every Hero Has a Story” with fun programs, including Jedi storytimes, science super power demos, and EPL’s first-ever Comic Con, complete with *Star Wars* characters from the famous 501<sup>st</sup> Legion.

Kick-off day is Saturday, June 6, with a variety of events for children, as well as the starting point for teens and adults to start logging their reading progress for prizes and raffle drawings.

On June 6, the Library features programs throughout the day, including puppet shows, tricks performed by a professional juggler and unicyclist, and face painting.

Again this year is a program specially tailored for babies for newborns to 11 months old. This program serves to enhance pre-reading skills through activities for caretakers and babies.

Look for the 2014 Summer Reading edition of *Fine Print* on the library website, [www.elmhurstpubliclibrary.org](http://www.elmhurstpubliclibrary.org), or in your mailbox to see detailed descriptions of all the summer fun. A complete list of prizes, activities, reading suggestions and more for all ages can be found online at [elmlib.org/summer](http://elmlib.org/summer).

The Elmhurst Public Library strives to enrich life in Elmhurst by providing opportunities to explore, learn, and grow. EPL offers the support and resources for Elmhurst residents to develop a love of reading; access information for work and learning; pursue interests that will enrich their lives; understand changes in technology, society and culture; and gather and interact with each other. Elmhurst Public Library is a place for discovery at the heart of the community.
