

Streaming Video

Tuesday, February 2
Instructor: Jeremy Slayton

We'll cover:

- What is Streaming?
- Where to find information about EPL's eVideo collection
- Account creation
- Site navigation
 - Hoopla
 - Indieflix
- How do I view this content on my TV?

Streaming is a common internet term which means that files are not being saved and kept on the computer; instead, content is viewed (or streamed) from a website or application.

In order to stream you'll only need:

- A computer or device (phone or tablet)
- An active internet connection

More video content is available online than ever before.

Most of it is subscription-based:

Netflix

Hulu

Amazon Prime

YouTube

Services available through the Library:

Hoopla

IndieFlix

PBS Video

MyMediaMall

Library Video Streaming

Hoopla basics:

Provides streaming access to thousands of feature films and TV shows, as well as audiobooks and music.

Content for all ages

No waiting lists!
