Elmhurst Public Library Receives Toyota Grant

ELMHURST, IL — Elmhurst Public Library received a \$2,500.00 donation from the Toyota Dealer Match Program earlier this year, sponsored by Elmhurst Toyota.

According to its website, the Toyota company has donated over \$700 million to nonprofits in the U.S. The website states, "Toyota's national corporate giving program focuses on three main areas: the environment, education and vehicle safety. We also have a strong commitment to strengthening opportunities for diverse and underserved populations, helping during times of disaster, supporting organizations that meet the needs of local communities across the U.S."

The Library used the funds from the grant to purchase a 3D printer as part of the second floor renovation project.

The Elmhurst Public Library strives to enrich life in Elmhurst by providing opportunities to explore, learn, and grow. EPL offers the support and resources for Elmhurst residents to develop a love of reading; access information for work and learning; pursue interests that will enrich their lives; understand changes in technology, society and culture; and gather and interact with each other. Elmhurst Public Library is a place for discovery at the heart of the community.
